FOR YOUR CONVENIENCE PLACE YOUR ORDER ONLINE AT <u>WWW.EDLEN.COM</u>

# COMPLETE THE STEPS BELOW TO PLACE UTILITY ORDERS

#### **Step 1** Complete the Method of Payment

This form must be completed and returned with the order forms below.

### Step 2 Complete Utility Order Forms as Required

- A. Electrical Order
- B. Plumbing Order
- C. Lighting Order

### **Step 3 Review Electrical Labor Instructions**

This form will help you determine if you require electrical labor in your booth.

- A. What electrical work in your booth space needs to be performed by Edlen Electricians.
- B. How power is delivered to your booth in the facility (from the floor or ceiling).
- C. What other forms are required in order to schedule and pre-pay your estimated labor cost.

### Step 4 Complete Additional Labor Forms as Required

Forms include the following:

#### A. Electrical Distribution

This form is used for the distribution of power on the floor in your booth space. The form should be completed by <u>all island</u> booths. Inline and peninsula booths need to provide this information only if power is required at any location other than the rear of the booth space.

#### B. Electrical Booth Work

This form is used to estimate electrical labor required in the construction of your booth.

### C. Plumbing Distribution

This form is used for the distribution of air/water & drain services in your booth space. The form should be completed by <u>all island</u> booths. Inline and peninsula booths need to provide this information only if plumbing is required at any location other than the rear of the booth space.

### Step 5 Complete the Electrical & Plumbing Layout Forms (if applicable)

All island booths must return an electrical layout and plumbing layout (if applicable) indicating a main distribution point as well as any other locations requiring power or plumbing services. Inline and peninsula booths need to return an electrical layout only if power is needed at any other location than the rear of the booth.

### **TERMS & CONDITIONS**

- 1. Order with payment & floor plan (for island booths or any booth requiring distribution of electrical services) must be received no later than the deadline date on the front of this form for advance payment rates to apply. Orders faxed or mailed without payment and required floor plan will not be guaranteed advance rates. Orders received after the deadline date will be charged at the regular rate. A purchase order or photocopy of a check are not considered valid forms of payment for securing advanced rate.
- 2. In the event order totals are calculated incorrectly, Edlen reserves the right to make the necessary corrections and charge the corrected amount. Exhibitors will be notified by email or fax of any such corrections.
- 3. Outlet rates listed include bringing services to one location at the rear of inline and peninsula booths.
- 4. Outlet rates listed *do not* include the connection of any equipment, special wiring, or distribution of the outlets, to other than the standard locations within the booth space. Distribution to all other locations *regardless of booth type* require labor and is performed on a time and material basis. Exhibitors are invited to contact the local Edlen office to discuss any additional costs that may be incurred.
- 5. A separate outlet must be ordered for each location where an electrical service is required. 5 amps or 500 watts is the minimum amount of power that can be ordered for any one location. Power must be ordered according to peak amperage ratings.
- 6. Island Booths Booths that require power to be delivered to multiple locations within their booth space incur a minimum (1) hour labor charge for installation. The removal of this work will be charged a minimum (1/2) hour or (1/2) the total time of installation. Material charges will apply. Return a floor plan layout of your booth space indicating a main distribution point and all outlet locations with measurements and orientation. If a main distribution point is not provided, Edlen will deliver to the most convenient location.
- 7. There is a total (1) hour or (1/2) hour installation and (1/2) hour removal charge for Island Booths that require delivery to one location.
- 8. Labor rates are based on current wage scales and are subject to change in the event of a wage increase after rates have been published. A minimum charge of (1/2) hour labor will apply for all installation work. The removal of this work will be charged a minimum of 1/2 hour or 1/2 the total time of installation, plus material.
- 9. For a dedicated outlet, order a 20 amp outlet.
- 10. In the event 1000 watt overhead quartz lights cannot be mounted to existing catwalks in the convention hall, lift and labor charges will apply. Please contact our local office to discuss any additional charges.
- 11. Edlen employees are authorized to cut floor coverings when essential for installation of services unless otherwise directed.
- 12. Edlen is the exclusive provider of all material and equipment used in the distribution of temporary electrical services throughout the exhibit hall including the exhibitor booth space. This material is provided on a rental basis ONLY and remains the property of Edlen. It shall be removed only by Edlen employees.
- 13. Any extension cords or power strips ordered on the front of this form should be picked up at the Exhibitor Service Center. Credit will not be not issued for unused items.
- 14. Standard wall and other permanent building utility outlets or sockets are not part of a booth space and may not be used by exhibitors unless electrical services have been ordered through Edlen.
- 15. All equipment regardless of source of power, must comply with federal, state and local codes. Edlen reserves the right to inspect all electrical devices and connections to ensure compliance with all codes, for which labor charges can be incurred. Edlen is required to refuse connections where the Exhibitor wiring or equipment is not in accordance with electrical codes.
- 16. All electrical equipment must be properly tagged and wired with complete information as to the type of current, voltage, phase, cycle, horsepower, etc., required for operation.
- 17. All Exhibitors' cords must be a minimum of 14 gauge, 3 wire and grounded. Two (2) wire extension cords are not allowed. All exposed, non-current carrying metal parts of fixed equipment which are liable to be energized, shall be grounded.
- 18. Payment in full must be rendered during the event. Exhibitors ARE NOT billed for services provided. Services may be interrupted if payment is not received.
- 19. Credit will not be given for services installed and not used. All orders are subject to a 25% cancellation fee if cancelled in writing & received by Edlen within 14 calendar days prior to show opening. Except sales tax, Edlen will not refund overpayment in amounts less than \$50.00 unless specifically requested in writing.
- 20. Claims will not be considered or adjustments made unless filed in writing by Exhibitor prior to the close of the event.
- 21. Exhibitor holds Edlen harmless for any and all losses of power beyond Edlen's control, including, but not limited to, losses due to utility company failure, permanent power distribution failure, power failure caused by vandalism, faulty Exhibitor equipment or overloads caused by Exhibitor.
- 22. It is agreed that in the event it becomes necessary to turn this matter over to an attorney for collection, or to file a lien, or foreclosure, or otherwise, Exhibitor will pay Edlen its attorney fees or applicable agency fees.
- 23. A service charge of 1.5% per month on any unpaid balances will be assessed starting 10 days after date of invoice. A \$25.00 service charge will be assessed for all returned checks and credit cards. Exhibitor agrees to reimburse Edlen for all applicable rental taxes.
- 24. By signing this and/or the Method of Payment form, exhibitor hereby agrees to all terms and conditions on this order form.

### COMMONLY ASKED QUESTIONS - WHERE WILL MY OUTLET BE LOCATED?

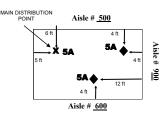

Outlets are located as depicted below for inline & peninsula booths. All other locations require labor on a time & material basis. Exhibitors with hard wall booths must make arrangements with Edlen to bring power inside the booth on a time and material basis.

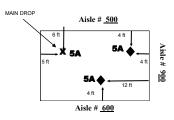

A scaled floor plan must accompany your order with main distribution point, add'l outlet locations & booth orientation.

### LABOR ORDERING INSTRUCTIONS

#### Step 1 Review Jurisdiction Information Below

The work outlined under Electrical Jurisdiction below must be performed by Edlen Electricians and cannot be performed by any other union or I&D House. Determine the type of work required in your booth space and complete the corresponding labor forms. The Power Delivery section indicates if power typically comes from the ceiling or the floor which may impact your booth layout.

### Step 2 Complete the Appropriate Form

There are 2 different forms utilized to schedule labor in your booth space. This allows exhibitors to pre-pay the estimated labor cost. This is only an estimate. Final labor and/or lift cost may be greater or less depending on time required and minimum labor charges.

#### A. Electrical Distribution

This form is used for the distribution of power on the floor in your booth space. This form should be completed for <u>all island</u> booths. Inline and peninsula booths need to provide this information only if power is required at any other location than the rear of the booth space.

#### B. Electrical Booth Work

This form is used to estimate electrical labor required in the construction of your booth.

#### Step 3 Return the following forms to Edlen

Electrical Order, Method of Payment, applicable Labor Forms and Electrical Layout.

### **ELECTRICAL JURISDICTION**

#### **WORK REQUIRING EDLEN ELECTRICIANS**

- 1. Delivery of main power line to Island Booths only
- 2. Electrical distribution under carpet or overhead
- 3. Connection of all high voltage services
- 4. Hardwiring of any electrical apparatus

- Installation of lighting hung from ceiling
- 6. Assembly & installation of lighting hung from truss
- 7. Motor, truss, rigging installation and cabling

### **POWER DELIVERY**

**Power is typically delivered from the floor** in this facility and is brought to one main distribution point. From this point it is distributed to all other locations in the booth space. Depending on the total power requirements an electrical panel may be placed at the main distribution point. Electrical panels utilize a minimum of 1'x1'6" floor space. Please call if you have any concerns.

# **ELECTRICAL DISTRIBUTION UNDER CARPET**

ALL Island booths MUST provide the information below. Inline and peninsula booths need to provide this information ONLY if power is required at any location other than the rear of the booth space. This information allows Edlen the opportunity to expedite move-in by having your power distribution complete prior to your scheduled move-in time. Complete all of the fields below including the "Labor Estimate" Section. Edlen will make every attempt to complete the work prior to your arrival, but it can not be guaranteed.

1. Provide an Electrical Layout Form:

PRINT NAME:

2. What date will you begin building your booth?

- A. The electrical layout must indicate each power outlet and its location with exact measurements.
- B. The electrical layout must reflect booth orientation. Use surrounding booth or aisle numbers.
- C. Identify a main distribution point. Power is delivered to that point and then distributed to other locations. Inline or peninsula booths do not need to provide a main distribution point. Power will be located at the rear of the booth.
- D. If power is only required in one location in Island booths, indicate that location with measurements on your electrical layout.

- 5. The exhibitor acknowledges there is a minimum 1 hour labor charge for the distribution of services and 1/2 hour for the removal of services. Island booths that only require power delivered to one location incur a 1 hour installation and removal charge.
- **6.** In the event a lift is required to deliver power from the ceiling, or if the exhibitor requests power be delivered from above when it's available on the floor, lift charges will apply for installation and removal. There is a minimum 1 hour installation and 1 hour removal cost for both lift and labor. For safety reasons lifts require a 2 man crew.

# **BOOTH LABOR REQUIREMENTS**

The date and times completed below assist Edlen in scheduling electrical manpower. These times and number of men are not guaranteed. Otherwise, all requests are performed on a first come first serve basis. A representative must come to Edlen's service desk prior to each individual labor request time in order to confirm the booth is ready for labor. If labor is dispatched at the requested time and no "exhibitor supervision" is available, a minimum 1/2 hour labor charge per electrician applies.

Go to the exhibitors tab at www.edlen.com for an exact grid to match your booth space.

# POWER ORIGINATES FROM THE FLOOR IN THIS VENUE

Power is delivered from a floor port to a "main distribution point" in island booths and then distributed from that point. Indicate this location and all other outlet locations using the legend & grid below. Inline and peninsula booths need to provide this information only if power is needed at any other location than the rear of the booth. (See T&C page 4 for examples):

| INDICATE BOOTH TYPE | INDICATE SCALE & TOTAL SQ FT | OUTLET LEGEND                                 |
|---------------------|------------------------------|---|
| Island              | Example: 1 Square = 1 Foot   | X = Main Distribution Point ▲ = 5amp/500 watt |
| Inline              | Square = Ft                  | ◆ = 10amp/1000 watt ★ = 15amp/1500 watt       |
| Peninsula           | Total Square Footage =       | ● = 20amp/2000 watt                           |

# PLUMBING JURISDICTION

The work described below falls within the jurisdiction of Edlen Plumbers and cannot be performed by any other union, I&D house or exhibitor. Contact our office for clarification regarding scope of work.

· Delivery of Air, Water and Fill & Drain lines

- Installation of lines delivered from overhead
- · Distribution of Air, Water & Drain lines under carpet

#### 1. REVIEW EACH SECTION AND COMPLETE LABOR ESTIMATE

#### A. Outlet Delivery & Removal

There is a minimum 1 hour labor charge for the delivery and 1/2 hour for the removal of each air, water and drain service. If a lift is required to drop services from overhead, a minimum 1 hour for installation and 1 hour for removal will apply.

#### B. Outlet Distribution Throughout Booth Space

Air, Water and Drain lines are brought to one location at the rear of inline, peninsula and island booths. If you require the distribution of services to any other location within the booth space, there is a minimum 1 hour labor charge for distribution and 1/2 hour for removal, or 1/2 the total time of installation, whichever is greater.

#### C. Outlet Connections

Connection to exhibitor equipment is included in the cost of the service.

#### 2. DISTRIBUTION OF SERVICES IN BOOTH SPACE

- A. Island Booths need to provide the following information:
  - 1. The plumbing layout must indicate each outlet and its location with exact measurements.
  - 2. Each location should indicate the type of service. All air locations must include CFM requirements.
  - 3. The plumbing layout must reflect booth orientation. Use surrounding booth or aisle numbers.
  - 4. Identify a main distribution point. Services are delivered to that point and then distributed to other locations.
- B. Inline or Peninsula booths must provide the same information with the exception of the main distribution point. The main distribution point will be located at the rear of the booth space.

|    | distribution point will be located at the real of the booth space.           |                   |         |  |
|----|--|-------------------|---------|--|
| C. | Date you will begin building your booth:                                     | Estimated         | d time: |  |
| D. | Will you be utilizing any specialty floor covering other than carpet, such a | as vinyl or wood? |         |  |
|    | Describe flooring:   |                   |         |  |
| E. | What time do you estimate needing the physical connection to your equip      | pment? Date:      | Time:   |  |
| F. | Show site supervisor:  | Company:          |         |  |
|    | Cell #: Email:   |                   |         |  |

G. This information allows Edlen the opportunity to expedite move-in by having your plumbing distribution complete prior to your scheduled move-in time. Complete the "Labor Estimate" Section below. Edlen will make every attempt to complete the work prior to your arrival.

| LABOR ESTIMATE |    |          |       |  |  |  |  |  |
|----------------|----|----------|-------|--|--|--|--|--|
| MAN HOURS      |    | RATE     | TOTAL |  |  |  |  |  |

Go to the exhibitors tab at www.edlen.com for an exact grid to match your booth space.

# PLUMBING SERVICES ORIGINATE FROM THE FLOOR IN THIS VENUE

Air, water & drain services are delivered from a floor port to a "main distribution point" in island booths and then distributed from that point. Indicate this location and all other outlet locations using the legend & grid below. Inline and peninsula booths need to provide this information only if these services are needed at any other location than the rear of the booth. (See T&C page 4 for examples):

| INDICATE BOOTH TYPE | INDICATE SCALE & TOTAL SQ FT | OUTLET LEGEND                                  |
|---------------------|------------------------------|--|
| Island              | Example: 1 Square = 1 Foot   | X = Main Distribution Point                    |
| Inline              | Square = Ft                  | <b>W</b> = Water <b>A</b> = Air                |
| Peninsula           | Total Square Footage =       | <b>D</b> = Drain <b>AC</b> = Addt'l connection |

### PLUMBING TERMS, CONDITIONS & REGULATIONS

- 1. Order (with payment) must be received a minimum of 21 days prior to the scheduled event opening for advanced payment rates. Orders received without payment will not guarantee advance rates. Orders received less than 21 days prior to scheduled event opening will be charged the regular rate.
- 2. In the event that totals are calculated incorrectly, Edlen reserves the right to make the necessary corrections. Exhibitors will be notified by email or fax of any corrections made. This includes adding the required minimum CFM charges when applicable and labor charges.
- 3. All outlets will be installed on the floor at the back wall of inline and peninsula booths. All services ordered for island booths will be dropped to one location in the booth. Edlen will make every attempt to deliver these services to a location convenient to the exhibitor.
- 4. Distribution of services throughout the booth space, whether under the carpet, above the carpet or overhead is done on a time and material basis. Lift charges may also apply for overhead distribution.
- 5. Labor charges apply when an exhibitor requires services to be dropped from overhead when services originate on the floor or columns.
- 6. The CFM requirements (Cubic Feet per Minute) determine the volume of air required to properly operate exhibitors equipment. CFM is a labor charge for sizing and installation of the service infrastructure.
- 7. In some instances a pump is required to drain services out of an exhibitor's booth. When this occurs, time & material charges apply. Exhibitors are encouraged to contact Edlen to discuss any potential additional costs.
- 8. Connection to exhibitor equipment is included in the cost of the service. Special equipment requiring company engineering or technicians for assembly, servicing, preparatory work and operation may be executed without Edlen plumbers.
- 9. Service outlet size is determined by the volume required. Air line size is dictated by the CFM requirements and air line terminations vary.
- 10. Compressed Air is supplied during show hours only. If compressed air is required for non-show hours call for a quote.
- 11. Wall, column and permanent building utility outlets are not part of booth space and are not to be used by exhibitors.
- 12. Unless otherwise directed, Edlen personnel are authorized to cut floor coverings to permit installing service(s) ordered.
- 13. Pressure for Water Services may vary. No guarantee can be made of minimum or maximum pressure. If pressure is critical, the exhibitor should arrange to have a pressure regulator valve installed.
- 14. Natural Gas "when available" is not regulated by Edlen and is at the facility pressure. Call for price quote when available.
- 15. Gas & Cylinders "when available" 1025 1030 BTU per cubic foot at 7' water column pressure. Credit will not be provided on unused cylinders.
- All equipment using water must have inlet and outlet properly tagged.
- 17. All equipment must comply with state and local codes.
- 18. Edlen will not be responsible for moisture or water in air lines. Exhibitors should supply their own filter or other equipment to handle moisture or water.
- 19. For gas cylinders or any other special requirements call Edlen for a quote at the number on the front of the form. Delivery charges will apply to any specialty equipment delivered and removed from the exhibitor booths.
- 20. Edlen must have 30 days notice in order to supply special regulators, strainers, traps, etc..
- 21. Claims will not be considered or adjustments made unless filed by the exhibitor in writing prior to close of the event; no exceptions.
- 22. Credit will not be given for outlets installed or connections made and not used.
- 23. Payment in full for all plumbing services provided must be made in full prior to close of the event.
- 24. It is agreed that in the event it becomes necessary to turn this matter over to an attorney for collection, or to file a lien, or foreclosure, or otherwise, exhibitor will pay Edlen its attorney fees or applicable agency fees.
- 25. A service charge of \$25.00 will be assessed for all returned checks or declined credit cards.
- 26. A service charge of 1.5% per month on any unpaid balances will be made starting 10 days after date of invoice.

# POWER TO OPERATE ANY PLUMBING APPARATUS IS NOT INCLUDED. ALL ELECTRICAL REQUIREMENTS MUST BE ORDERED ON THE ELECTRICAL FORM.

For further information please visit our web site at www.edlen.com or call the number on the Plumbing Order form
